S I R:

Applicants herewith submit two sheets (Figs. 1-3) of formal drawings for the above application. The drawings have been revised to include the changed made during prosecution in the paper filed May 6, 2004. Although the Notice of Allowability did not include a requirement to submit corrected drawings, the previously-filed drawings included handwritten legends and were clearly informal. The enclosed drawings conform in all respects to the requirements of 37 C.F.R.§1.84.
